Assigned coaches will agree on which part of the field is designated A, B and C.

Coaches will use separate patterns for each weeknight unless the same three coaches have both nights together. Then they may elect to use a single pattern for both their nights.

Teams wanting to scrimmage each other shall play two small-sided games across the field.

Under no circumstances will a team be asked to relinquish the field by the other two teams for a scrimmage, even if additional practice area is available.

Continue to repeat throughout the season.

Remember, these are our game fields. Do NOT practice on a field if conditions are such that you will damage the field. If dirt areas are wet enough that a sliding foot leaves permanent mud waves, the field should not be practiced on. Coaches doing so may lose the right to use County fields, and SYC failure to enforce this could result in SYC losing all field allocations.
